CROSSBOWS

Crossbows will be shot for the first time this year but must adhere to AGB Rules of Shooting

- **Rule 104. Crossbow Safety**

- (a) A crossbow may NOT be drawn or cocked except on the shooting line and in the direction of the targets, after the archer has ensured that the field is clear both in front of and behind the targets.
- (b) If shooting is interrupted for any reason, crossbows shall be lowered immediately so that they are directed at the ground immediately in front of the shooting line and the bolt removed.
- (c) No person less than 12 years of age may shoot or manipulate a crossbow.

- **Rule 210. Crossbow**

- (a) A crossbow stock may be made from any safe material and must be fitted with a mechanical trigger. Prods, which may be made of any material except metal, shall not exceed 900mm in length when the crossbow is strung.
- (b) The draw weight at the string latch shall be no more than 95lbs (43 kg). ***The draw weight and draw length must be clearly marked on the prod.*** The clean draw length, measured from the string to the string latch shall be no more than 300mm
- (c) The bow must be fitted with a bolt retaining clip.
- (d) A string may be made of any non-metallic material.
- (e) Bolts may be made of any material and of such design as not to cause unreasonable damage to the target. Bolt length is minimum 12 inches, maximum 15 inches. Three fletchings, feather or plastic, shall be fitted.
- (f) Telescopic or magnifying sights are not allowed.
- (g) The following are permitted:
 - (i) Foot stirrups attached to the bow.
 - (ii) Stabilizers.
 - (iii) Palm rest.
 - (iv) A butt hook that does not rest directly on top of the shoulder and is no more than 150mm in length.
- (h) The length between the back sight and the front sight shall not exceed 720mm.
- (j) All crossbows must be drawn by hand. The use of cocking aids, gloves or fingerstalls is not permitted.
- (k) Pistol crossbows are not permitted.
- (l) Crossbow and the Law. When travelling on public transport or walking in a public thoroughfare it is essential that the prod be removed and the stock and prod be carried in a case or cover.

Crossbow competitors (archers) will shoot on their own boss, not mixed with other bow styles. They will shoot the round on a 60cm face 10-zone face scoring 9,7,5,3,1 with 4 individual faces on the boss. Each archer will shoot on their own face to reduce the risk of Bolt Damage.

All Crossbows are to be examined by the judge prior to shooting to ensure that they comply with the ArcheryGB rules of Shooting.
